

**August 27<sup>th</sup>, 2009**

**Dear Chamber Member:**

**The Only official map endorsed and distributed by the Fayetteville-Cumberland County Chamber of Commerce**

As a valued member of the Fayetteville - Cumberland County Chamber of Commerce, you are invited to have your business *spotlighted* on **10,000** copies of the full color Street Map and Resource Guide for the Fayetteville Area distributed by The Chamber.

This publication is an extremely useful and valuable resource for reaching residents and businesses. New residents spend nine times more in the first year after a move than established residents. This is an excellent way to reach them with your advertising message!

The Business and Professional Showcase Directory of Members section offers the opportunity to directly promote your business. Premium advertising space on the back and a limited number of interior panel display ads are also available.

Participating advertisers will receive a complimentary supply of the folded maps with a countertop display dispenser.

**Act now by filling out the information below and faxing it to 866-621-9255.** Remember, limited space is allocated on a first-come, first-served basis. Spotlight Publications may be reached at 1-800-530-0307.

Sincerely,  

Douglas Peters  
President & CEO
